Come Sail Away

—Styx—

I'm sailing away
Set an open course
For the virgin sea
'Cause I've got to be free
Free to face the life
That's ahead of me.

On board I'm the captain
So climb aboard
We'll search for tomorrow
On every shore
And I'll try, oh Lord, I'll try
To carry on.

I look to the sea
Reflections in the waves
Spark my memory
Some happy, some sad
I think of childhood friends
And the dreams we had.

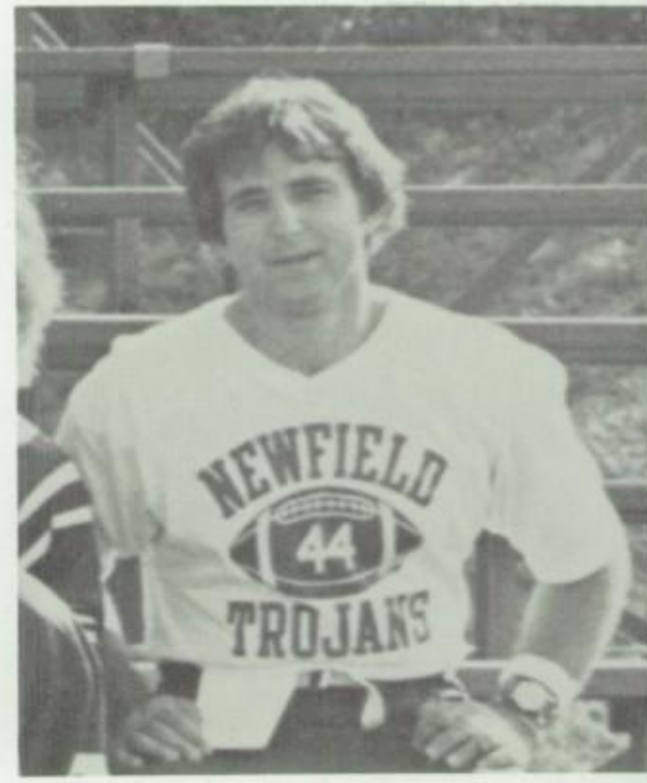

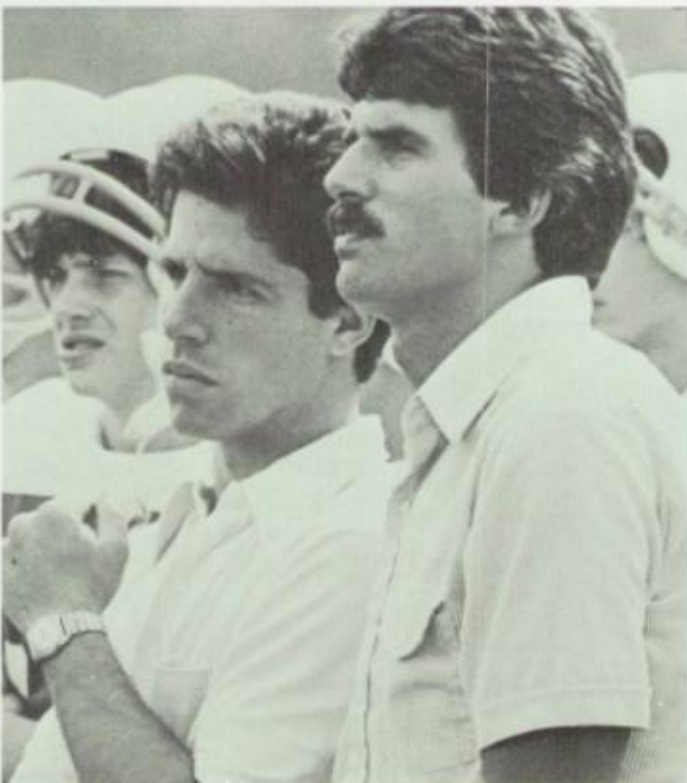

We lived happily forever
So the story goes
But somehow we missed out
On our pot of gold
But we'll try, best as we can,
To carry on.

A gathering of angels
appeared above my head
They sang to me
This song of hope
And this is what
They said:

Come Sail Away
Come Sail Away
Come Sail Away
With me.

I thought that they
Were angels
But much to my surprise
We climbed aboard
Their starship, and
headed toward the sky.

Come Sail Away
Come Sail Away
Come Sail Away
With me.

THE SENIOR CLASS DEDICATES THIS ANNUAL TO:

The TROJAN COACHES

We would like to express our thanks and appreciation to all of the coaches that have helped us grow a little each year. Students are always told of their hard work and effort. Well, this book is to tell the coaches that we know they work just as hard. They are coaches, advisors, and friends. Thanks to our coaches one and all.

*—Bridget Murray—
(for the Senior Class)*

Say that his power lies in things so simple and slight—a touch of the hand, a nod, a word of advice—that one overlooks his gift as if it were a trivial bauble. Say that her kindness lies in habits so hateful and rude—a set of wind sprints, a scream, an angry word of scorn—that one overstates her intention as if it were a sadistic entertainment. What then? The kindness that they give is quite as demeaned as if it cost a penny.

Here then a cheer for the coaches of Newfield, those seemingly marginal people who coach nothing less than the poise of a boy under stress, than the mettle of a girl in pain, than the character of an adult who's yet untried by life's most painful stresses.

The things people do for their school!

The first annual Doughnut Eating Contest sponsored by the Student Council was a great success. Class spirit was generated and students saw the doughnut eating prowess of the faculty. The competition ended in a tie between the Seniors and the Sophomores. The Sophomores won the eat off.

Track

"A home track meet for Newfield is very like the 300 Spartans defending their homeland against the over 10,000 invading Persians in 480 B.C.—no matter how disciplined the training or valiant the effort of the home defenders, the superior numbers of the invading hordes ultimately decides the battle. Only nine boys and six girls won varsity letters in a sport where the seventeen events require squads of thirty to forty for each sex.

But just as with the Spartans, to strive despite the scanty prospect of victory, commends all the more the character of the Trojan track team. Averaging per person more than 100 miles of road work and more than three tons net of weight lifting per session, our unsung track team has become the hardest working squad in the school. Despite this, the team losses continue. How great then the resolve of the few who persist—true athletes who can be truly proud of themselves."

—Coach Tom Powers—

"Is that really Colleen Fields and Robbie Phelps?! I don't believe it."

FALL

Homecoming

Homecoming Weekend was kicked off on Friday with the sale of carnations and a spirit rousing pep assembly. Friday night's bonfire helped team members get ready for the game. Saturday's game was lost, but the float parade at half time was a winner. The Freshmen float took the first place prize. Dancing the night away was a great way to end the Homecoming weekend. The band was Uptown Review and they played a special dance for the King, Queen, and Attendants. The King was Bruce Ray, his Queen was Karen Pakkala. The Junior Prince and Princess were John Obourn and Amy Pullman. Sophomore Attendants were Andy Palmer and Debbie Kriner. Freshmen Attendants were Dave Gloss and Debbie Laughlin.

The Trojan team had a disappointing football season due to many injuries this year. Coach Giewont has high hopes for the 1982-83 season because of all the experience gained by the underclassmen who received extra game time.

Modified Football

The Mod Squad improved consistently during the football season due to the great instructional job done by the coaches.

The team would like to offer a special thanks to Mike Neeffe who volunteered his time to help the team.

Who adds pep at every game and encourages spirit throughout the whole school? From bottom to top, they are: Gail Hughes, Michelle Anthony, Shawn Cahill, Beth Schwoeble, Lisa Ruuspakka, Angie Wheeler, Wendy Andersen, Terrie Tucker, Marcie Hunsinger, Nikki Vaughan, Kelli Miller, Diane Teeter, and June Mickelson; that's who!

Cross. . .Country

VARSITY: Denise AuCoin, Mike Leonard, Dave Srnka, Jerry Belles, Jimmy Doolittle, Bob Breen

The Cross Country Team has, in recent years, developed an odd habit-winning. The 1980 boys team won the I.A.C. championship. The 1981 squad produced: a) the fastest man in this part of the state (for a school our size); b) the fastest boy and second fastest girl in the Junior High (for I.A.C.); and c) the fastest squad of girls in the Junior High (for I.A.C.).

The Varsity Field Hockey team was young and inexperienced this year. However, a tough defense held the team together while the offense led a strong attack. Unfortunately, the record does not show the effort made or the experience gained. The 1981 Junior Varsity Field Hockey team lacked depth. They had a strong defense and a capable offense, but, for most of the girls it was their first year playing field hockey. This was a building year for both field hockey teams.

Wrestling

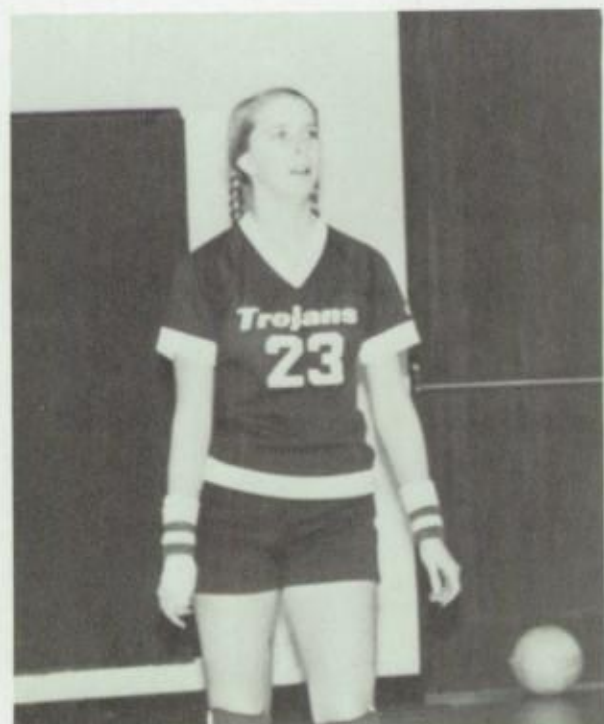

Over the last few years, participation in wrestling has declined. This year we doubled up with Trumansburg, but it's not the same as having your own full team. Our wrestlers worked long, hard hours to achieve their victories, but they never reached their full potential because they were handicapped by not having others their own size and weight to practice with.

Foreign Exchange Student/ Trap Shooting Champion

Thierry Tordeur (Jerry) came to Newfield from Belgium as a part of the Student Foreign Exchange Program. For the past year he lived with the Bandlers. Jerry is a very outspoken person who loves life and freedom. He tries to express his freedom in different ways. During the winter he tried to learn how to ski. Jerry is going back to Belgium this summer. All of us will miss him.

John Petito became a State Champion on Trap marksman this year. During the summer of 1981 he was accepted for Olympic training at Colorado Springs. He represented New York State for the Champion of Champions of the Grand American at Vandalia, Ohio. John's ambition is to become a member of the United States Olympic Trap team.
